Family Access Signup Form

McHenry Elementary School District #15 is happy to announce that it has begun to implement Skyward's Family Access system. This new service will allow you to view your child's or children's attendance, grades, food service balance, schedule, progress, assignments, and emergency information. It is totally secure and as easy as a "Point and Click" to use.

In order for you to begin using this service you will need to obtain a login and password. By signing and returning the form below you will authorize the district to provide you with a password.

We are very excited about this new education tool and look forward to working with you.
