

Q: How do I pay for my child's lunch?

A: You can pay for your child's lunch on a daily, weekly or monthly basis. If you want to pay weekly or monthly you can send a check, written out to District 15, in for the total amount. Lunches are \$2.25 per day. You can also pay by credit card on the district website. You would go to the district's main page and there is a link at the bottom to epay. Click that and follow the directions. If your child doesn't want the lunch for a certain day they can bring a cold lunch and they will have a credit.
