Landmark School

3614 W. Waukegan Road

McHenry, Illinois

Is your child getting ready to enter kindergarten?
Are you a resident of McHenry School District 15?

If you answered "YES" to the questions above, we would like to invite you to learn more about what Landmark School has to offer your child. For the past eight years, Landmark has served as District 15's open enrollment school that is based on year-round, multiage education. At this presentation you will:

- **learn more about our school's unique program**
- **meet some of the staff**
- **tour the building**
- **receive an registration packet**

All registrations received by February 29th will be given first consideration for the 2012-2013 school year. Rolling admission will take place after that date.

Should interest exceed our available space, a lottery will be conducted to determine new student enrollment.

If you are unable to attend the Information Night and would still like an application/information packet, please call our school office 815-385-8120 and we would be happy to mail one to your home.
