

M.A.D. Club has been working with a paper recycling company, Paper Retriever, for the past year. We are using this recycling service again this year and would like to remind our school and community that this service is also for our community members to utilize. You may drop off newspaper, junk mail, magazines, paperback books, anything PAPER. No cardboard, please.

MMS receives money for every ton of paper we recycle. The money collected will then be put towards a service project such as *Pennies for Patients* or the local Food Pantry.

Please spread the word to bring your paper to our convenient paper retriever to help benefit not only the environment, but also MMS and our community. The yellow and green Paper Retriever bin is located in the parking lot on the west side of the building (P.E. side). Thanks for your support!

If you have any questions or ideas to share, please feel free to contact either:
Mrs. Apostolopoulos (napostolopoulos@d15.org) or Mrs. Andresen (sandresen@d15.org)
