

District 15 has once again teamed with Centegra Occupational Health to enable student athletes to obtain sports physicals at school.

This unique opportunity will take place on Tuesday, May 26, 2009 at McHenry Middle School, and on Thursday, May 28, 2009 at Parkland School. These sports physicals will then enable the students to participate in sports throughout the 2009-10 academic year.

This event is for *current 6th and 7th grade students*. In order for your child to participate in this opportunity, you **must** complete and sign a Sports History/Consent Form, as well as present payment in the amount of \$25.00 in the form of a personal check or money order payable to Centegra (*personal checks and money orders made out to Centegra will ONLY be accepted*). The forms are available in the front offices at the middle schools, as well as on our district website.
