

**ST. BALDRICK'S DAY 2012 COMMUNITY T-SHIRT**

**Support our schools' and Character Counts! Effort**

**All T-Shirt proceeds go to local families fighting children's cancer!**

Over the past four years, school children, staff, parents, and community members have united behind this green community shirt to promote the shaving for St. Baldrick's Day and support identified local families fighting children's cancer. The effort has helped families, helped to teach our young people the importance of service, and helped to unite a community. Attached is a form for your family to get your green shirt for 2012 and below is information on how your student or anyone in the community can go bald at the second annual McHenry Community Shave.

Thank you for supporting this effort and this important cause.

**2012 St. Baldrick's Events sponsored by MCHS**

Over the past three years, McHenry East and West staff, students, and community members have had over 700 heads shaved and raised over \$120,000 for the St. Baldrick's Foundation. This year, we are adding a "McHenry Community Shave" because of the desire for others in our community to participate. Our second annual "McHenry Community Shave" will be held on **Thursday night, March 15, 2011 from 5-8pm in the West Main Gym**. All members of the community from elementary age through adult are welcome to participate. East and West Campus Private events for students and staff will be all day at both buildings on Friday, March 16, 2012. See one of the three links below to register your participation and GO BALD this year! Lets see how much we can all raise together for children's cancer research.
