Homework following an absence..."Homework is made available upon request after 3 consecutive days absent."

Also, regarding **vacations**... “Homework for vacations will not be assigned to students prior to a vacation... students will have time to make up missed daily assignments. From the time they return, they have one day for every day absent to make up the daily work. The homework hotline should be utilized after 4:30 p.m. each day.”

This is on page 4 of the student agenda.
