

Dear Parents,

It's wonderful to see that our school year has started off in such a positive way! While you aren't part of the teaching staff you are just as important to your children's education as we are. We look at education as a partnership between home and school and invite you to become part of our team.

Your children receive the best education when you and our dedicated teachers work as a team. It's a parent's enthusiasm, support, and involvement that inspire children to do their best, while it's a teacher's ability to teach what they need to learn. Together we can achieve wonderful things.

There is a lot of excitement ahead of us including new teachers to meet, new books to read, new friends to meet, and new skills to master, and we look forward to you sharing in those exciting times. As parents, we know how fast time goes by. One year your child is in 1st grade, and seemingly in the blink of an eye they're in middle school or in their senior year of high school for that matter.

In closing, we encourage you to fully embrace the moment and urge you to take the time from your busy schedule to become familiar with our school, teachers, and staff here at Valley View.

Thank you for your commitment to your child's education and we look forward to seeing you in the very near future.

Sincerely,

Amanda Cohn, Principal & Tiffany Elswick, Assistant Principal
