

# The View

## From the Principal

Welcome back to those of you who are returning and a brand new welcome to those families who are new to Valley View. The teaching and support staff are looking forward to a rewarding school year which will be marked by student success and hard work on everyone's part.

We understand that communication is of the utmost importance in establishing a successful home/school partnership. To help with this we have created a parent handbook that has

been sent home. Please review this and let us know if you have questions.

Mrs. Elswick and I will do all that we can to ensure that this year is a safe, productive and successful one for your children.

We would also like to give an extra **BIG THANKS** to all of the staff who work behind the scenes to make Valley View the place it is!

### Notes from the Nurse

We are asking parents to send a change of clothes with their child to be kept in the students cubbie. If a child requires a change of clothing and does not have one at school, a parent will be contacted and asked to bring clothing to school. **Please send and**

**extra set of clothing in a Ziploc bag** labeled with your child’s name to be kept in their classroom.

Please remember to turn in all **physical and dental forms** in to the nurse’s office as soon as possible.

We are counting on you to become an integral part of the school community. Education is a partnership that cannot occur without the support of every staff member, the involvement of every parent, and the commitment of every student.

Together we can make a difference!

We are extremely excited to start the new school year and

look forward to working with you so that your child/children can be the best they can be!
