READ, READ, READ!
Our Dr. Seuss/Iditarod school wide reading program has begun. It starts Monday, March 8th and goes through Friday, March 19th. We have four teams of seven classes. Your child's team must read the length of the Iditarod Trail 1112 miles. One picture book or one chapter equals one mile.

The team that finishes first will win a Hot Chocolate Party!

From the desk of Mr. Lotz...
Don't Eat Too Much of One Thing

You don't have to give up foods like hamburgers, French fries and ice cream to eat healthy. You just have to be smart about how often and how much of them you eat. Your body needs nutrients like protein, carbohydrates, fat and many different vitamins and minerals such as C and A, iron and calcium from a variety of foods. Balancing food choices from the Food Guide Pyramid and check-

ing out Nutrition Facts Panels on food labels will help you get all these nutrients.

SPRING RECESS
