### **2016 St. Baldrick's Event sponsored by MCHS**

Over the past seven years, McHenry area staff, students, first responders and community members have had over 3400 heads shaved and raised over \$900,000 for the St. Baldrick's Foundation. This year, we are continuing our tradition with the "McHenry Community Shave" because of the desire for others in our community to make a difference. Our sixth annual "McHenry Community Shave" will be held on **Wednesday night, March 16, 2016 from 5-8pm in the West Main Gym**. All members of the community from children through adult are welcome to participate. Each year our community forms 40-50 teams for this event. Individuals can also register. See the link below to register your participation and GO BALD this year! Lets see how much we can all raise together for children's cancer research.
