

May 20, 2019

Edgebrook Vision Statement: Edgebrook fosters a diverse community of learners working together to create an engaging environment which empowers each child to strive for excellence.

From the Desk Of: **Mrs. Reinhardt**

This will be our final Edgebrook Ripples for the 2018-2019 school year. I am proud of our amazing students who have truly touched our hearts this year. They have made tremendous gains academically, socially, and emotionally. Watching them blossom and grow this year has been a gift to all of us. I am proud of our outstanding staff who have dedicated their time and hearts to ensure that each student shows success in all areas. The Edgebrook team has made this year extraordinary! We will continue to communicate with you throughout the month and summer months via emails and text alerts. Our Edgebrook office will be open through June 18th to answer any questions about the 2019-2020 school year. Have a wonderful summer full of laughs, relaxation and priceless family memories!

Michelle Reinhardt, Principal

REGISTRATION for the 2019-2020 school year has begun. You can easily register on the D15 home page. Visit www.d15.org and scroll down to Registration Information. If you need assistance with registration please stop by the office.

Transportation: Bus Passes for the 2019-2020 school year will be available through Skyward in early August. If you need to make adjustments to a bus pick-up or drop-off during the summer months, please contact our transportation department at 815-385-6622.

Classroom Placement for 2019-2020: Our teachers and administration spend many hours making class lists. I am asking that you please respect the teacher's efforts in placement and do NOT make teacher requests. Even siblings can have very different learning styles. A teacher that you loved for one child may not be the best fit for another.

Classroom placements will be available through Skyward in early August.

Report Cards: Report Cards will be available on June 4th. If your child will not be in school on that day please notify the office so we can make them available for pick-up between June 4 and June 18.

Edgebrook is getting an upgrade. Look for a new Edgebrook Phone Number to come in August.
