Exemption from Liability

EpiPen Acknowledgement Form 2018-2019

Public Act 97-0361 was amended by Public Act 97-0361 to allow schools to maintain a supply of EpiPens® that could be used by the school nurse or other trained personnel in the event of a known allergy. In the last legislative session, the General Assembly passed Public Act 97-0361 to allow trained personnel, in addition to the school nurse, to both carry and administer an undesignated EpiPen® to a student having an anaphylactic reaction. Public Act 97-0361, a school district or non-public school and its employees, agents and prescribing physician are to incur no liability for the administration of an EpiPen®, provided the school acted in good faith when administering the EpiPen® to a student who he or she prescribes for an anaphylactic reaction. Only in cases of willful and wanton conduct will liability be incurred. Therefore, if a student is injured as a result of an anaphylactic reaction that a school obtained under the provisions of this Act, the school, its employees, and its agents will not be liable for the administration of an EpiPen® with a conscious disregard for safety.

I hereby acknowledge I have seen the above limited liability.
