Chromebook and Video Chat Agreement

Every McHenry District #15 student will be provided a Chromebook. The student will be responsible for any damage to or loss of the Chromebook, like any other use of District technology, is governed by the District's Acceptable Use Policy, which students are responsible for reviewing and understanding. This document also provides additional guidance about taking care of the Chromebook, and being a good digital citizen. The district utilizes an Internet content filter that is in compliance with the Family Protection Act (CIPA). All Chromebooks, regardless of physical location (in or out of school), will have all Internet activity monitored and filtered. The district is not responsible for monitoring Internet usage since Internet filters are not guaranteed to block all explicit content. If an adult student should contact helpdesk@d15.org to request the site be unblocked.

By accepting a Chromebook from McHenry District #15, each of the following agreements will be accepted:

- My student will take good care of the Chromebook while it is in his/her possession.
- My student will protect the Chromebook by always carrying it in a secure manner and keeping it in the case at all times.
- My student will never leave the Chromebook unattended in an unsecured or unsupervised location.
- My student will know where the Chromebook is at all times.
- My student will keep all food and beverages away from the Chromebook.
- My student will not place decorations (stickers, markers, writing, etc) on the Chromebook.
- My student will not place anything heavy on top of the Chromebook.
