Approval of previous meeting minutes: approved by Danielle, seconded by Lauren

Principals' Report: Standardized benchmark test results are being reviewed by teachers and staff.

Treasurer's Report: (Danielle LeMay)

- Earnings and Expenses :
- Balance: \$9506.21 end of December. Not including two Papa John's dine out nights or holiday event.
- We might look into a new (larger) bank, maybe Chase bank.

Old Business:

- Holiday event had a great turnout! Thanks to everyone that helped!
- We dropped off goodies for the week before break to staff: bathroom baskets with supplies for the 3 staff bathrooms, a supply table with wipes, Kleenex & paper towels, goody bags with chocolate, hot cocoa and Valley View swag. Since Thursday was a snow day, we dropped off the ice machine and drinks yesterday...cheers to the new year!
- Giving tree had many ornaments left, next year maybe have a supply drive instead of giving tree and encourage families to bring a supply donation to the holiday event.

New Business:

- Suggestions for an item to be raffled off at the Star store for Jan/Feb and March: giant outdoor games, bunch o balloons (water balloons) kit from Sam's club
- Wilmot is not offering the tubing fundraiser
- Would we like to look into a Wolves game family night, bowling or skating? Urban Air or Chuck E. Cheese are other options. Urban Air might appeal to a larger grade range. Raymond's has a program involving gym class and then a field trip to the bowling alley.
- We are still awaiting some indoor recess item request from staff and will be delivering the requested items next week.
- Assembly Magic & Art is booked for Friday, February 3rd. Two shows 1:30 and 2:30
- Matt Wilhelm is scheduled for 3rd trimester assembly.

Committee Reports:

Events Committee: (Lauren)

- Should we have a winter event? Bingo? Parent mixer night: Axe throwing, escape room?
- Spring event..we discussed a movie night outside or staff vs.staff or 5th grade outdoor event? Kickball game would be fun, many competitive teachers and staff would make for a great game and we could hopefully use the gym if weather doesn't cooperate.
- 5th grade celebration ideas? Kona ice truck paired with kickball game would be nice.
- Do we want to have the End of year celebration at the park with food trucks or pizza? Yes, everyone agreed it is a good idea to keep it at the park last day of school.
