22-23 Before and After School Registration

McHenry School District 15

Registration Information:

[22-23 Registration Request Form](#)

It will be a google form link that will be considered your registration form. Please complete the google form to begin the registration process. This is a first come first serve process. This link will not be active until **6:30am on Friday, April 1st**. We will then go in order of registration from the time and date stamp on the google form and register your child(ren). Once we register your child(ren), we will email you a copy of a receipt with a balance due if you got in the program or email a receipt if you ended up on the wait list.

Once you have received the paperwork, you can scan back the enrollment paperwork to apettinger@ymcachicago.org or you can drop it off at the front desk at the Sage YMCA in Crystal Lake. The only fee due at this time is the **\$50.00 non-refundable registration fee (per family)**. If you do not pay this registration fee by the time provided in the email from our enrollment coordinator, then we will remove your child(ren) from the program.

We bill these prices as 9 equal payments monthly for the current month of attendance. Your first payment will be due September 1st and your last payment will be due May 1st for the 2022-2023

Pricing for Edgebrook (Duker), Hilltop, Riverwood and Valley View is as follows:
