FOR IMMEDIATE RELEASE

CCSD 15 Chief Financial Officer Instated as Illinois ASBO Director

Mark R. Bertolozzi, Chief Financial Officer at McHenry CCSD 15, was officially instated onto the Illinois Association of School Business Officials Board of Directors on April 26 at the Association's 2017 Annual Conference & Exhibitions.

Board service is the highest level of involvement in Illinois ASBO. As a Board member, Mark will be a part of strategic conversations and have access to a plethora of professional development opportunities that can ultimately benefit CCSD 15's students.

Mark applied to be on the Board in order to give back to the professional organization that he has received so much from. "I view a position on the Illinois ASBO Board as a way to better contribute to a profession that has been fulfilling and rewarding to me."

A nine-year Illinois ASBO member, Bertolozzi has served as a professional development presenter and as Chair of the McHenry Regional Organization for two years.

He is excited to be a positive influence on the ever-changing school business profession through his participation on the Board: "With all the changes and initiatives that we have seen and experienced over the last few years, a position on the Board would allow me to have greater influence over, not only our profession, but also our state's educational system."

Mark will serve a three-year term on the Board beginning in July.
