Want To Try it Before Committing?

If you want to try out wrestling before committing to our club, you can do a 2 week trial period. The trial period will start on November 1st and include all of the practices for your age group in that time frame. The cost of the trial is \$100 since a wrestling card will need to be ordered for your wrestler for insurance purposes and will be rolled into registration should you wish to continue.

Practice Location and Schedules:

McHenry Wrestling Club practices at McHenry Middle School. Navy practices 3 times a week and Gold practices 2 times a week until the beginning of the IESA wrestling season. Once the middle school season begins, Gold wrestlers will have one practice a week in order to prevent burnout.
