

McHENRY Wrestling Club

MWC is a local wrestling club that provides a competitive and engaging environment for boys and girls between the ages of 4 and 14. MWC is chartered through the Illinois Kids Wrestling Federation.

Practice Location and Schedules:

McHenry Wrestling Club practices 3x a week at McHenry Middle School. There will also be an elite practice held on Wednesday nights that is invite only. MWC wrestlers have the option of competing in tournaments on the weekend. Check out our website for last year's list of tournaments that we attended.

New FOR 2019:

- Online payment plans
- Option for personalized singlets
- Elite tournaments for qualified wrestlers

Still no fundraising! We want the families to focus on wrestling.

What is the cost and what's included?

The cost to wrestle for McHenry Wrestling Club is \$350 if paid in full and \$375 if using the payment plan option. Included in the registration fees are all of the practices, all tournaments, MWC issued uniform, USA Wrestling Membership , and t-shirt and shorts.

Why Should You Join?

The main focus of McHenry Wrestling Club is to create a positive and fun environment that develops wrestlers and prepares them for success in middle school and high school. The success that our middle school teams have experienced over the last year is directly attributed to the extra time and effort a lot of our wrestlers put in with the club before the middle school season started. Almost all of our state qualifiers and top wrestlers in the area have a club wrestling background. If your son or daughter wants to get better or take their wrestling ability to the next level, this is how it's done.
