To Our Valued Patrons & Participants,

The last year has brought on challenges for all of us that can only be described as unprecedented. Every step of the way, the McHenry Parks & Recreation Department analyzed the restrictions and conferred with the recommended guidelines. We worked hard to provide programs and recreation opportunities even under the most restrictive guidelines.

Providing a recreation outlet for our community has always been our goal. We want to provide some sense of normalcy through very un-normal times. In the last year, the McHenry Recreation Center offered our community, not just our members, free online fitness classes through Zoom and YouTube. Parks were open, including Miller Riverfront Park Boat Launch, Petersen Park Beach and McBark Dog Park. Programs were modified to allow us to host another successful summer of day camp, McHenry Marlins Swim Team and our yearly Dance program. Despite delays with a construction upgrade, we were also able to open the Merkel Aquatic Center later in the summer. Though many programs could simply not be modified, we did what we could to be there for our community, as we have always been and will continue to be.

As we look to the Summer of 2021, you will see in this catalog many of your favorite programs have returned. We will continue to take all the precautions that have become a part of our program planning and utilize those measures to bolster what we already feel is a safe, strong and comprehensive offering. We also look to implement new programs and new offerings in our amazing Parks system. One in particular is a natural playground in Knox Park, currently under construction. Over 2,000 feet of walking paths will be added. Amenities along the path will be made from natural elements such as boulders, stones and trees. It will be constructed in phases with the first phase tentatively available in mid-June.

We have also fostered new partnerships in the last year to add amenities to our parks. The most exciting of which gives the public access to Boone Creek and Fox River via mini-retro boats, pedal paddle boats, kayaks and stand-up paddleboards. This is located along the Riverwalk in Miller Point Park under the operation of **All Marine Retro Rentals**. If you haven't visited them yet, we encourage you to plan a day in downtown McHenry to do just that.

No matter what you choose, we can't wait to see you back - in our parks, in our programs and in our facilities. Our program participants, our members at the McHenry Recreation Center and our parks patrons will always be what makes us great, so thank you and again we look forward to seeing you soon!

If you are not sure what level to place your child, contact Aquatics Supervisor at nthompson@cityofmchenry.org to schedule a placement test. Please note placement tests will not take place until after Memorial Day. Aquatics staff have final decisions on moving any child to appropriate class based on their ability.

For full lesson descriptions and level standards, download the free American Red Cross learn to swim app from the app store or visit the American Red Cross (ARC) website at <https://www.redcross.org/take-a-class/swimming/swim-lessons/kids-swim-lessons>

McHenry Marlins Aquatic Club (MMAC) Swim Team

This swim team competes in the Northern Illinois Summer Swim Conference and is open to novice and experienced swimmers. This swim team is not designed as a swim lesson program. Students advance strokes, diving, starts, turns and conditioning. Swimmers must have a team or navy/red suit and team swim cap (vendor can be found on team website). Year-round team participants have the option to compete in ISI/USA Long Course swim meets at an additional cost. **Website:** www.macswimmers.org.

Jr. Swim Team (Introduction): Beginner level for all age swimmers who are debating joining or are new to competitive swimming. This is a two-week program without a full season commitment. See page 36 for more details.

Blue Level (Beginner): This level is for swimmers who can strongly swim 50 yards unassisted. Blue offers a basic introduction to the four competitive strokes used in swimming and the other skills necessary to swim competitively. The emphasis is on fun and structure as swimmers learn to swim competitively. Blue level swimmers must be able to swim freestyle and backstroke.

Bronze (Age Group): This level is for growing swimmers who can perform: 50 yards of freestyle from a standing dive; 25 yards of each competitive stroke; and a freestyle flip turn. Bronze level will work on stroke and technique development. Swimmers will work on swimming the strokes competitively and avoiding common DQ mistakes in competition.

Silver (Intermediate): This level is for swimmers who have achieved a designated level of success based on effort, practice consistency, meet participation and time standard achievement. Swimmers must be able to perform the following: 50 yards of all competitive strokes with legal turns and finishes, 200 yards of continuous freestyle with flip turns and a 100 yard IM with legal turns.

Gold (Advanced): This level comes with an emphasis on refining race technique, building endurance, promoting a healthy lifestyle and exposing swimmers to greater race opportunities. Swimmers must be able to perform the following: a legal 200 IM with correct stroke and turn technique. Must have obtained or been within reach of at least two regional cut times.

Platinum (Elite/HS/Club): This level is designed for swimmers who are committed to the sport of competitive swimming. Swimmers are looking to compete on an elite club team, high school swim team or college swim team. This level requires 100% commitment and dedication to following coach and team expectations. Swimmers are progressing towards being top-level athletes at a state and national level. Swimmers must be working towards or have obtained four regional cuts or one state cut, have a proficient stroke technique, be able to read a pace clock and have a strong work ethic. Platinum level swimmers will work on goal setting and assist with promoting team culture by learning what it takes to coach and working with younger age groups.

USA Swimming Long Course Season: MMAC will be looking to attend USA Swimming sanctioned long course meets this summer. In a summer season, we would attend 5-6 long course meets which concludes with Illinois Swimming LC Regionals & State for swimmers who qualify. The fees for long course meets are not included in the cost of the summer program. If your child would like to compete in long course meets, you will be required to pay an additional coaching cost and meet entry cost associated with each meet. To compete in long course meets, all swimmers must be registered as an Illinois Swimming athlete for the 2021 season and attached to the McHenry Marlins Aquatic Club. If you plan on attending long course meets and are a new or transfer swimmer, you must contact the Aquatics Supervisor at the start of the season to complete proper Illinois Swimming paperwork. All long course coaching fees and meet entry fees are NON-REFUNDABLE after meet registration period closes. See macswimmers.org for more information.

MMAC Notes

COVID-19 Considerations: Parents will be issued COVID-19 guidelines for the program prior to the first practice. It is the responsibility of parents and swimmers to read and understand those guidelines. Parents and swimmers will be required to follow the guidelines of the McHenry Parks & Recreation department along with any D156 requirements as well. Any major closures of D156 or McHenry Parks & Recreation facilities due to possible COVID cases would result in the immediate halt of the program until all operating parties feel that the MMAC program can safely continue operations under state and facility guidelines. The McHenry Parks & Recreation department will consider proration and partial refunds for any extended closures of facilities that limit program offerings directly related to COVID-19.

Pool size, space, and state guidelines will determine team size. We strive to provide a program that allows our coaching staff to provide specific trainings per age group. To insure your child's spot on the team, please register early. Max swimmers per practice group: Jr. Swim Team (12), Blue (10), Bronze (10), Silver (40), Gold/Platinum (40).

Swim team is not swim lessons. Coaches might suggest another year of lessons before children are ready to join the team. Coaches & Aquatics Supervisor have final decision on level placement for ALL swimmers.

Practice Changes: Practice dates and times can vary depending on school events, high school home swim meets, special events, weather related closures, district holidays, and national holidays. No discounts or make-up practices will be given for cancellations by coaches, school administration, or parks department administration. Any changes to schedule will be posted on team website. Swimmers may not attend another practice group outside of their assigned practice time.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK / PHOTO RELEASE / REFUNDS

WARNING OF RISK: Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slip and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities exist. In this regard, it must be recognized that it is impossible for the City of McHenry Parks & Recreation Department and McHenry Marlins to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK: Please read this form carefully and be aware that in signing up and participating in the programs listed above, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with these programs (including transportation services and vehicle operations, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in these programs, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs against the City of McHenry Parks & Recreation Department and McHenry Marlins including its officials, agents, volunteers and employees. In the event of an emergency, I authorize the City of McHenry Parks & Recreation Department and McHenry Marlins to secure any/all necessary medical attention for me and/or my child/ward and further agree that I will be responsible for any and all medical services rendered.

I HAVE READ AND FULLY UNDERSTAND the important information, warning of risk, assumption of risk, and waiver and release of all claims. If registering online or via fax, my online or facsimile signature shall substitute for and have the same legal effect as an original form signature. I further understand that my signature is required below in order to participate in City of McHenry Parks & Recreation programs.

PHOTO RELEASE: The City of McHenry Parks & Recreation Department and McHenry Marlins take photos and videos of participants in programs, during special events, and in City of McHenry parks and facilities. By signing this waiver, I give permission to the City of McHenry and McHenry Marlins to use these photos and videos in its publications, websites and social media outlets without further permission and without compensation. All photos and videos are the property of the City of McHenry and McHenry Marlins.

PAYMENT POLICY: I do hereby affirm that I understand submitting this application makes me responsible for all registration fees, deposits, and late fees incurred. I understand that the City of McHenry Parks & Recreation department reserves the right to dismiss a participant from the program if all fees are not paid. I agree to follow the City of McHenry Parks & Recreation guidelines for refunds and reimbursements while understanding that participants ejected from program due to discipline, absence of pay, or code of conduct guidelines might not fall under the refund policy. I acknowledge that absence from the program or missed Sessions without medical reason could result in my loss of a refund or reimbursements. Furthermore, I agree that any delinquent payments may result in my account being suspended from future registrations or programs.
