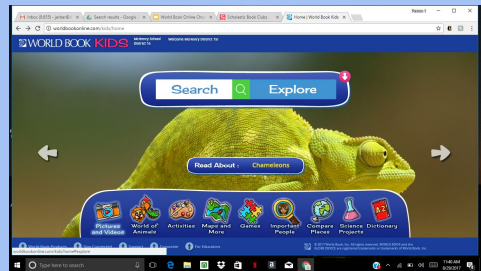
World Book Kids BOTTOM TOOLBAR

- **World of Animals** - Compares different animals and make animal fact sheets.
- **Maps and More** - Includes maps from all around the world and an interactive map similar to Google Earth.
- **Important People** - Search for articles about important people. Many filters make this great for biographies.
- **Compare Places** - Compare different places in the world and make fact sheets.
- **Activities** - Find activities connected topic you teach.



Educator Tools

- **Lesson Plans** - Find lesson plans aligned to World Book Online articles and activities
- **Webquests** - Find great webquests that connect directly to W.B.O. You could literally wake up sick and put this in your sub plans with no thought.
