## **ARTICLE 1. PREAMBLE**

### **A. RECOGNITION**

The Board of Education of McHenry School District 15, McHenry and Lake Counties, Illinois, hereinafter referred to as the "Board", recognizes the McHenry Elementary Education Association, hereinafter referred to as the "Association", an affiliate of the Illinois Education Association, and the National Education Association, as the sole negotiating agent for the certified professional personnel of the school district with respect to such matters as defined in Article 2, Section E of this Agreement. Certified professional personnel of the school district, hereinafter referred to as "certified staff" or "certified staff members", include full and regularly employed part-time teachers, learning center directors, social workers, psychologists, counselors, and speech/language pathologists. Exempted employees include: substitutes, the superintendent, assistant superintendents, business manager, CSBO, directors, principals, assistant principals, deans, gifted & Title 1 coordinators, managerial employees, supervisors, maintenance and plant personnel, teacher assistants, office workers, cafeteria workers and personnel employed jointly by the Board and any other school district and short term certified staff. Short term certified staff shall be defined as those certified staff that are hired for a period of less than one-hundred-twenty (120) consecutive workdays per school year. Excluded substitutes shall not include any substitute who has a teaching assignment in which he/she substituted for one certified staff member more than one-hundred-twenty (120) consecutive work days during any school year.

### **B. BOARD RIGHTS**

The Board retains all functions, rights, powers, and authority of the Board, which are not specifically limited by the express language of this Agreement.

### **C. ASSOCIATION DUES DEDUCTIONS**

The Board of Education agrees to make payroll deductions for Association dues beginning after the 3<sup>rd</sup> payroll and continuing for a total of 17 pay periods (or as agreed upon between Central Office and the Association). Dates of deductions will be delivered to all certified staff members through payroll for the appropriate authorizations for dues deductions. These equal deductions are to fulfill obligations for the Association/IEA/NEA dues for present certified staff members of the Association listed and furnished by the Association.

The listing of certified staff members of the Association for dues deductions must be submitted to the Business Office by an agreed upon date preceding the advent of deductions and there shall be no deviation for the ensuing year, with the exception that provisions will be made for certified staffs newly employed during the course of the year with appropriately executed dues deductions authorizations.

If a certified staff member is unable to complete the school year (resigns, use of leave(s), etc.), the unpaid portion of the Association dues will be deducted or prorated from the final or remaining paycheck(s). Dues

deduction will be remitted within ten (10) days of deduction to the named Treasurer of the Association. It shall be the responsibility of the Association Treasurer to acknowledge receipt and accuracy of each check by signing an accompanying receipt form and returning it to the Business Office not later than ten (10) days after receipt of the check.

The Association agrees, in consideration of this service being made available, to hold harmless from any claims, the Board of Education of School District 15, its employees and/or agents for any errors of omission or commission in transmitting monies to the designated Treasurer of the Association.

## **ARTICLE 2. NEGOTIATION PROCEDURES**

### **A. COMMITTEE MEMBERSHIP**

Designated representatives of the Board and representatives of the Association, who have the authority to negotiate on behalf of the respective parties, shall meet as provided herein for the purposes of negotiating a successor agreement.

### **B. NOTIFICATION**

Either party requesting negotiation should inform the other party in writing in the year in which this Agreement expires. If the Board intends to conduct summer school, the Board shall negotiate over the terms and conditions of employment affecting certified staff at summer school, and to initiate such negotiations at the Board's earliest discretion.

### **C. MEETINGS**

The time for negotiations shall be established by mutual agreement by the Board and the Association. In the interest of time, preliminary meetings may be held by mutual consent between the Superintendent or his/her representative and Association representatives to clarify issues and exchange information. These meetings may be requested by the President of the Association or Superintendent.

### **D. INFORMATION**

The Superintendent and the central administrative staff may serve as resource consultants and will furnish copies of the tentative budget, Board salary proposals, and copies of proposed amendments. In addition, the Board will grant reasonable requests for other non-confidential information, which may be necessary to negotiate. Nothing herein shall require the central administrative staff to research and assemble information.

The Association will furnish copies of any pertinent information as is reasonably requested by board committee or Board.

#### **E. SCOPE**

The Association and the Board agree that negotiations, in good faith, will encompass all or some aspects of policy concerning the following items: salaries, extra duty compensation, fringe benefits, related economic conditions, grievance procedure, and other mutually agreed upon matters which directly affect the quality of the educational program and professional service.

#### **F. MEETING PROCEDURES**

During negotiations, the parties shall offer proposals and counter proposals and exchange relevant points of view. Either party may utilize the services of consultants or representatives in negotiations.

#### **G. IMPASSE PROCEDURE**

If an agreement is not reached on all items within forty-five (45) calendar days of the commencement of the forthcoming school year, the Board and Association have reached an impasse, either party may petition to initiate mediation. When an impasse has been declared, or mediation is invoked by the Illinois Education Labor Relations Board (IELRB), the Federal Mediation and Conciliation Service shall be requested to provide a mediator. The selection of a mediator shall be in accordance with its rules. If a mediator cannot be obtained within ten (10) days, the parties shall then request a panel of mediators from the American Arbitration Association. The mediator shall meet with the parties or their representatives, or both, forthwith, either jointly or separately, and shall take such steps as are deemed appropriate to persuade the parties to resolve their differences and effect a mutually acceptable agreement. The mediator shall not make public any recommendations without the express written consent of both parties. Effective June 13, 2011 (Ed Reform/SB7, P.A. 97-0008): after 15 days from the start of mediation, either party may declare an impasse; the mediator can declare an impasse at any time. Within 7 days after an impasse, the board and union must submit final offers in writing to the mediator, the other party, and the Illinois Education Relations Board (IELRB). The IELRB publishes the offers in its website.

#### **H. APPROVAL AND RATIFICATION**

When the Association and Board reach tentative agreement on all matters being negotiated, the items will be put in writing and shall be submitted to the Association for ratification and Board approval.

### **ARTICLE 3. ASSOCIATION AND STAFF MEMBER RIGHTS**

#### **A. NON-DISCRIMINATION**

The Board shall not discriminate against any certified staff with respect to hours, wages, terms or conditions of employment by reason of the certified staff members' membership in the Association, participation in any lawful activities of the Association, or in negotiations with the Board, or the institution of any grievance or proceeding under this Agreement. The Board and the Association acknowledge that

the appropriate forum to resolve disputes that arise under this section is the Illinois Education Labor Relations Board and not the arbitration provision of the grievance procedure.

#### **B. RIGHT OF REPRESENTATION**

When a certified staff member is required to appear before the Board or any administrator concerning a Board decision or administrative recommendation to suspend with or without pay, hold on step, issue a notice of remediation, or dismiss a tenured certified staff member teacher for cause, the certified staff member shall be given reasonable notice of such meeting, the general reason therefore and shall be entitled to have a representative of the Association present to represent such certified staff member during the meeting. Neither the certified staff nor the Association's representative shall remove any material from the file. Copies of any items, except as hereinafter set forth, which may be placed in a certified staff's personnel file shall be given promptly to the member. Any member may respond in writing to any adverse or critical material placed in his/her file within ninety (90) days of receipt of such material.

#### **D. CERTIFIED STAFF VACANCIES**

The Board will post and email notices of all vacancies within the bargaining unit. The posting shall be for a minimum of five (5) calendar days. The five (5) day posting requirement may be waived within thirty (30) calendar days before the 1<sup>st</sup> day of school. The Board and Association agree to comply with relevant SB7 provisions related to filling teaching vacancies. An interview may be requested but is not guaranteed. A vacancy shall be defined as a position made available by: resignation, termination, retirement, newly created position, and leave of absence, should it be deemed necessary by the superintendent or designee

The Board's selection of a candidate for a new or vacant teaching position not otherwise required to be filled pursuant to Section 24-12 of the Illinois School Code shall be based on consideration of factors that include without limitation certifications, qualifications, merit and ability (including performance evaluations if available), and relevant experience. Seniority shall not be considered as a factor unless all other factors are determined by the Board to be equal. #### **E. INTERNAL BUILDING TRANSFERS**

If a building vacancy occurs, the principal will make the building staff aware of the vacancy via email. Interested staff may alert the principal of their interest in writing. The principal, through right of assignment, may reassign building staff as needed to fill the vacancy without posting district-wide or conducting interviews. This may result in multiple internal movements following the above procedure. When all internal movement is complete, the normal hiring procedure will take place, including posting and interviewing for the remaining vacancy. If denied the transfer, an explanation will be provided in writing, if requested.

#### **F. VOLUNTARY TRANSFERS**

Certified staff who desire a transfer from their present position to a position in another building for which they are legally qualified, shall complete a voluntary transfer form. Completing a voluntary transfer form does not guarantee the transfer, and the staff member may be required to follow the interview process for any vacancy. If denied the transfer, an explanation will be provided in writing, if requested.

#### **G. INVOLUNTARY TRANSFERS**

The association acknowledges the need to involuntarily change certified staff members' assignments due to class section number variations, program changes, and building needs. When an involuntary transfer of certified staff from one building to another becomes necessary, all prior requests for a voluntary transfer to the position shall be reviewed prior to the involuntarily transferring of the member.

#### **H. INTERVIEWING OF CERTIFIED STAFF AND BUILDING ADMINISTRATION**

Where certified staff are being considered for inclusion on a teaching team, certified staff who share similar grade level and/or subject area commonalities should be included in the panel interviewing candidates, provided they are available and deemed qualified at the times such interviewing is to be completed.

A committee of certified staff from a particular building shall be included in the panel interviewing candidates for the position of principal, assistant principal or dean for that building, provided such certified staff are available at the time such interviewing commences. All interested personnel who are qualified for an administrative position will be strongly considered for an administrative interview.

#### **I. USE OF SCHOOL FACILITIES**

The Association shall have the right to use school buildings on school days during non-school hours when a custodian is normally present, to conduct local Association meetings, providing notice is given to the building principal at least twenty-four (24) hours in advance. Use of the school building shall not interfere with nor interrupt normal school operation or other uses previously arranged. When special custodial services are required, the Board may make reasonable charges for this service. The third Tuesday per

month, after regular dismissal of students, September through June, shall be reserved for the Association activities. The District shall not schedule certified staff meetings during such time provided. It shall remain the certified staff member's obligation to meet with individual students or parents, attend staff meetings and perform other assigned duties if scheduled on this day. Requests for special permission for Association officials and building delegates to use buildings at hours other than outlined shall be subject to the provisions set forth. If the meeting shall involve more than fifteen (15) persons where less than ninety percent (90%) of those attending are certified staff, this paragraph shall not apply.

#### **J. USE OF SCHOOL EQUIPMENT**

The Association (leadership and or Association building representatives, not to exceed three (3) per building) shall have the right to use school district technology (photocopiers, computers, etc.) equipment. Central office, school office or any computer utilized for district record/accounting purposes shall not be utilized by any Association member. The Association shall have the option of using the certified staff mailboxes for use of Association material distribution. The Association shall have the right to use a bulletin board located in each faculty room for posting official Association notices. All Association notices and announcements shall not contain any defamatory statements; shall not contain material intended solely for the purpose of endorsement of political candidates; and shall be identified as Association material or signed by an authorized official of the Association.

#### **K. BOARD MEETING NOTIFICATIONS**

The President of the Association or his/her designee shall be given notice of any regular meeting of the Board held other than as normally scheduled and of any special meeting, together with a copy of the agenda or statement of purpose of such meeting if there be such. A copy of the minutes of all Board meetings shall be made available with reasonable promptness on the District website.

#### **L. NEWLY HIRED CERTIFIED STAFF**

The Association shall have the right to obtain information of newly hired certified staff in accordance to 115 ILCS 5/3.

### **ARTICLE 4. LEAVES**

#### **A. SICK LEAVE**

Each certified staff member shall accumulate thirteen (13) days of sick leave per year. Part-time certified staff shall receive a prorated amount of thirteen (13) days of sick leave per year based on their percentage of full time employment, rounded to the nearest half day or full day. Sick leave shall be utilized either as a half day or full day increment. If a certified staff member resigns or is terminated from the District, their sick leave days will be prorated based on the length of service for that school year. If that staff member used more sick leave than earned, he/she will owe that difference back to the District. Unused sick leave shall accumulate to an unlimited number of sick days.

Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness in the immediate family or household. The immediate family for purposes of this section shall mean the staff member's: spouse, children, parents, parents-in-law, brothers, brothers-in-law, sisters, sisters-in-law, grandparents, grandchildren, primary care recipient, and legal guardian.

Sick leave will not be utilized for purposes of cosmetic surgery (except with reasonable incident to other illness or disability) and for any other surgical or medical procedures which may be reasonably postponed to a recess period. A certified staff member who utilizes three (3) sick leave days consecutively (including before or after a weekend or holiday break) shall furnish administration with medical documentation to return to work. The District has the right to request medical documentation from certified staff members and may exercise this right with certified staff members exhibiting a pattern of sick leave use.

To the extent that a staff member or his/her spouse, parent's or child's temporary illness or disability under this section also qualifies as a "serious health condition" under the Family and Medical Leave Act, and to the extent the staff member is an "eligible employee" as defined under that Act, then any FMLA-qualifying absence under this section shall also be construed as medical leave under the Family and Medical Leave Act.

#### **B. BEREAVEMENT LEAVE**

In the event of a death in the immediate family, each certified staff member shall be entitled to three (3) bereavement leave days per school year without loss of pay. Bereavement leave days shall not roll into sick or personal leave days and shall not accumulate from year to year. If more than three (3) days of bereavement leave are necessary, a certified staff member may utilize sick or personal days in accordance with Section 105 ILCS 5/24-6 of Illinois School Code and with the approval of the Superintendent or designee. Immediate family is defined in Article 4 Section A. Sick Leave. For purposes of bereavement leave only, the definition of "immediate family" includes individuals who stand in a significant relationship with the certified staff member.

#### **C. PERSONAL LEAVE**

Each certified staff member shall accumulate four (4) days of personal leave per year. Part-time certified staff shall receive a prorated amount of four (4) days of personal leave per year based on their percentage of full time employment, rounded to the nearest half day or full day. Personal leave shall be utilized either as a half-day or full day increment. If a certified staff member resigns or is terminated from the District, their personal leave days will be prorated based on the length of service for that school year. If that staff member used more personal leave than earned, they owe that amount back to the District. Unused personal leave shall accumulate as sick leave each year. Personal leave is granted to staff members for the specific purpose of conducting business or for compelling matters which cannot reasonably be accomplished outside school hours and which require the staff member to be present.

Personal leave must be submitted at least two (2) school days prior to the date of proposed absence to the Superintendent or designee and shall include enough information to permit a determination but not cause undue embarrassment to the staff member. Personal leave shall be deemed approved if not disapproved within two (2) school days of being submitted. An emergency application shall set forth the nature of the emergency. The first three (3) days and the last day of certified employment and the day preceding or following a legal holiday, vacation, or school recess, shall not be available for personal leave except in

the case of emergency or for observance of a recognized religious holiday of the staff member's faith. Personal leave may be used to attend funeral services for family outside of immediate or household, former staff members and students.

#### **D. FMLA/CHILDBIRTH LEAVE/PARENTAL LEAVE/ADOPTION LEAVE**

To the extent that a certified staff member's use of unpaid or paid leave under this section also qualifies for leave under the Family and Medical Leave Act, and to the extent the staff member is an "eligible employee" as defined under that Act, the first twelve (12) weeks of a certified member's leave under this section shall also be construed as leave taken under the Family and Medical Leave Act, and the certified member shall be covered by the rules and regulations governing the Act.

1. A certified staff member in contractual continued service shall be eligible for a childbirth/parental leave of absence without pay, subject to the following conditions:

Application for such leave shall be made in writing to the Superintendent or designee at least ninety (90) calendar days prior to the anticipated birth of the child. At such time, the certified staff member shall provide proper medical documentation indicating the expected date of delivery and an opinion that the certified staff may safely continue employment and perform all regular teaching duties during her pregnancy. During the leave for childbirth, the certified staff member may use paid leave in accordance with proper medical documentation, if available.

After consultation with the certified staff, the Superintendent or designee shall prepare a plan for the commencement and termination of such leave taking into consideration the maintenance of continuity of instruction and the medical factors to the maximum possible degree, and the pertinent time factors related. The leave shall not exceed the balance of the school term in which it commences and one (1) additional school term. Such leave terminates immediately prior to the start of a trimester or the new school term. Such leave shall commence upon the date agreed upon by the Superintendent or designee and the certified staff member. The leave may commence either before or after any period of disability associated with the pregnancy and/or childbirth. In no event shall the leave begin later than the end of the period of such disability or exhaustion of paid leave, whichever shall occur first. The Superintendent or designee may waive any of the provisions of this section at his/her sole discretion, and any such waiver shall not be precedential in any respect.

A certified staff member in contractual continued service shall be eligible for parental leave. The certified staff member may use up to thirty (30) paid sick leave days, if available. The balance of any leave shall be considered unpaid except that, if demonstrated by proper medical documentation, the certified staff member may use additional sick leave days, if available. These days must be used within the twelve (12) month period following the birth in accordance to 105 ILCS 5/24-6.

2. A certified staff member in contractual continued service shall be eligible for an adoption leave of absence, subject to the following conditions:

Any certified staff adopting or assuming foster care of a child, shall notify the Superintendent or designee in writing, of such intent. Leave shall be granted upon satisfactory written notification of when the child is expected to be received. It shall be the responsibility of the certified member to keep the Superintendent or designee informed on the status of the proceedings, and, as soon as known, the expected date of the

delivery of the child. During the leave for adoption or assuming foster care of a child, the certified member may use up to thirty (30) paid leave days, if available, if no paid days are available the leave shall be unpaid. Such use of paid leave days shall occur during the six (6) weeks immediately following the placement of the child and shall not be used on an intermittent basis unless necessitated by the circumstances of an adoption or foster care and approved by the superintendent or designee in accordance to 105 ILCS 5/24-6. The length of the leave shall not exceed the balance of the school year. The leave shall terminate immediately prior to the start of a trimester or new school term.

3. A non-tenured certified staff member shall be eligible for a leave of absence without pay, subject to the following conditions:

A Childbirth/Parental/Adoption leave may be granted to non-tenured certified staff members by action of the Board, provided the term of such leave shall not be considered in computing full time employment under Section 24-11 of the Illinois School Code (105 ILCS 5/24-11) for purpose of the continuous employment necessary to attain contractual continued service status. The granting of leave to any non-tenured certified staff member shall not constitute a precedent for the granting or withholding of leave to any other non-tenured certified staff member. Each request shall be judged on its own merits and shall be within the sole discretion of the Board.

#### **E. INSURANCE DURING UNPAID LEAVES**

During any period of paid leave, or during any period of available leave (whether paid or unpaid) which is FMLA qualifying and designated, whichever is longer, the District shall continue all insurance benefits elected by the employee on the same basis as such insurance benefits are maintained for working certified staff. For the balance of any leave time elected by the employee and with the consent of the carrier, certified staff may maintain insurance benefits by making timely payments of full district premiums which may be due to the District's Business Office or elsewhere pursuant to its direction.

#### **F. NOTIFICATION OF RETURN FROM LEAVE**

Before returning to work from a leave, the certified staff member must submit documentation from their health care provider that he/she is able to return to work. Failure to provide the documentation may result in the denial or delay of return to work.

If the certified staff member is medically released to return to work earlier than expected (or if on non-medical leave, desiring to return sooner than expected), the certified staff member must give the District the earliest practical notice of the expected return date.

If the certified staff member anticipates the need to extend a leave, he/she must request an extension at least two (2) weeks before the expiration of the authorized leave period. If the need for extension is not foreseeable, the certified staff member must give the earliest practical notice.

Upon returning from an approved leave of absence, the certified staff member will be returned to the same or equivalent position in the District with no loss in benefits that accrued before the leave began. The certified staff member shall advise the Human Resources Department in writing by February 1<sup>st</sup> he/she intends to return to employment. Failure to advise Human Resources Department in writing of intent to

return as required shall be treated as an election not to return to employment and as a resignation from the District.

#### **G. UNPAID LEAVE OF ABSENCE**

The Board may grant a leave of absence without pay or benefits to tenured certified staff for any purpose the Board deems appropriate and beneficial to the School District for a period of up to one (1) school year. Such leave may be conditioned so as to prohibit certified staff from accepting employment elsewhere while on leave. The granting or withholding of such leave of absence shall be within the sole discretion of the Board and shall be non-precedential with respect to any other request for such leave by such certified staff or by another certified staff. The tenured certified staff shall be returned to an equivalent position for which the certified staff is properly certified/qualified. Seniority and movement on the Salary Schedule does not accrue during an Unpaid Leave of Absence.

#### **H. ASSOCIATION LEAVE**

The Board of Education shall excuse Association representatives for attendance to Association business. Notification for such leave shall be submitted in writing to the Superintendent or his designee a minimum of five (5) teaching days prior to the departure date. Leave requests must be limited to an accumulated total not to exceed twelve (12) days in any one (1) academic year. No one (1) individual may accumulate more than five (5) days of Association Leave within one (1) academic year. No more than four (4) individuals can be absent on Association Leave at one time. The Association agrees to reimburse District 15 for the actual costs of substitute(s) for any aggregate number of days used for this purpose in any school term within fifteen (15) employment days of its use of such leave.

#### **I. VISITATION LEAVE**

Visitation to other schools by certified staff may be authorized by the Superintendent or designee at the request of a faculty member or their principal with the supporting reason and endorsement of the principal and/or Assistant Superintendent. Visitation leave shall be without loss of pay to the staff member. If the request for visitation is denied, the member will be entitled to an explanation of the reason for denial.

#### **J. MILITARY LEAVE**

#### **L. INCLEMENT WEATHER**

## **ARTICLE 6. GRIEVANCE PROCEDURE**

### **A. DEFINITION**

A grievance is a claim by the Association and/or certified staff member or group of certified staff members that there has been a violation, misinterpretation or misapplication of the terms of this Agreement.

As used in this Article, "days" shall mean certified staff employment days, except during the summer recess when it shall mean days on which the District Business Office shall be open.

### **B. PROCEDURE**

The parties hereto acknowledge that it is usually most desirable for a certified staff and the certified staff's immediately involved supervisor to resolve problems through free and informal communications. When requested by the certified staff member, an Association representative may accompany the certified staff to assist in the informal resolution of the grievance. If, however, such informal processes fail to satisfy the staff member, a grievance may be processed as follows:

#### **1. STEP ONE:**

The certified staff or the Association may present the grievance in writing to the supervisor immediately involved within twenty (20) days from the date of the occurrence giving rise to the grievance or twenty (20) days from the date when the member should reasonably have had knowledge of the occurrence giving rise to the grievance. A meeting to discuss the grievance shall be held within ten (10) days of the filing of the grievance. The supervisor shall provide a written answer of the grievance to the aggrieved certified staff member and the Association no later than ten (10) days following the meeting including reasons for the decisions. If the grievance was filed with the Superintendent in step one, the grievance would move directly to step two.

#### **2. STEP TWO:**

If the grievance is not resolved at step one or the time limits expire without the issuance of the supervisor's written reply, then the certified staff or the Association may in writing refer the grievance to the Superintendent or official designee within ten (10) days.

The Superintendent or designee shall arrange for a meeting with the certified staff and/or Association to take place within ten (10) days of the Superintendent's receipt of the grievance/appeal. Upon conclusion of the hearing, the Superintendent or designee shall within ten (10) days provide a written decision with reasons to the Association and the certified staff member.

#### **3. STEP THREE:**

If the Association is not satisfied with the disposition of the grievance at Step two or the time limits expire without the issuance of the Superintendent's or designee's written reply, the Association may submit the grievance to the School Board. The written notice to the School Board will be provided within ten (10)

days of the superintendent's or designee's disposition or expiration of the time limit. The meeting with the School Board will occur no sooner than fifteen (15) days, and no later than thirty (30) days from the receipt of the written notice. Upon conclusion of the meeting, the Board shall have fifteen (15) days in which to provide its written decision to the Association.

#### **4. STEP FOUR:**

If the Association is not satisfied with the disposition of the grievance at Step 3 or the time limits expire without the issuance of the School Board's written reply, the Association may submit the grievance to final and binding arbitration by an arbitrator from the Federal Mediation and Conciliation Service (FMCS) which shall act as the administrator of the proceedings. The Association shall request a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service. Each party shall take turns striking one (1) name from the list, with the Association striking first. The remaining person shall be the Arbitrator. Either party shall have the right to reject one (1) panel in its entirety before any individual striking is done, and if a party rejects a list the Association shall request another list. If a demand for arbitration is not filed within ten (10) teacher work days of the receipt of the Step 3 answer, then the grievance shall be deemed withdrawn.

- a. Neither the Board nor the Association shall be permitted to assert any ground before the arbitrator, which was not previously disclosed to the other party.
- b. The arbitrator shall have no power to alter the terms of this Agreement.
- c. Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitration shall be divided equally between the Board and the Association.
- d. If either party requests a transcript of the proceedings, that party shall bear the full costs for the transcript. If both parties order a transcript, the cost of the two (2) transcripts shall be divided equally between the Board and the Association.
- e. The Association shall be able to designate up to one (1) representative who shall be released without loss of pay for the purpose of attending each arbitration hearing provided the Association reimburses the Board for the cost of the substitute.

When certified staff is not represented by the Association, on its request, the Association shall have the right to have its representative present at the formal steps of the grievance procedure. Further, no negotiated grievance settlement shall be inconsistent with the provisions of this Agreement unless the Board and Association agree otherwise.

The Board shall furnish the Association with relevant public information concerning a pending grievance provided this shall not require the Board to research or compile data not readily available to it.

No reprisals of any kind shall be taken by the Board or Administration against any certified staff because of his/her participation in this grievance procedure.

All records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

A grievance may be withdrawn at any level without establishing precedent, and if withdrawn, shall be treated as though never having been filed. Time limits may be extended by mutual written consent of both parties.
